Dear Marnie & Staff,

Re: Recent Cruises Turkey/Greece

On behalf of ourselves and our travel companions, we wish to thank you and all concerned from Rheom Travel for a wonderful travel experience.

Whilst we had a picture in mind of what we would like to do, you managed to match four personalities to the perfect experiences whilst focussing on the best possible value.

Your knowledge of our destinations together with the vagaries of the various airports, ports and cities was invaluable.

The prepared itineraries left no stone unturned and we embarked upon our trip with full and warranted confidence.

We greatly appreciated your professionalism and enthusiasm to go the extra mile to ensure that we had the best possible experience.

Thank you to all staff involved in any way in the organisation of what was a truly memorable trip.

Please feel free to use this letter in any way you may see fit to promote your business.

Yours sincerely

RT & SA Turner
